CRAFT MEETING

Message from the Chair-Person

Hi Folks, It seems age's since the last meeting, a lot has happened. I've finally moved house, they say moving house is stressful, but when you have fibro and other health problems it seems like a marathon. To cope with it all I've had to pace myself, but it's made doing the tasks around the new house seem slow. "But then Rome wasn't built in a day."
